"I wanted to acknowledge the outstanding job Jennifer Barnes has done on the escrow in which I represented the buyers. This deal has been nothing short of a challenge since the day we wrote the offer. Jennifer has emerged as the shining star. She has been incredibly professional, helpful and useful throughout the process. Had it not been for her intervention a couple of times, we may not have been able to close this deal. As an agent for almost 30 years I have dealt with many escrow officers throughout my career, and Jennifer has been the rock star of this transaction."

V. Gilles, Sotheby's International Realty

"I have been a full time real estate agent since 1991, and during my career I have encountered many excellent escrow officers. Out of all of them, one stands out, Jennifer Barnes. She is very knowledgeable, efficient and trust worthy. At the same time, she has a very warm personality which puts buyers and sellers at ease. I think she has the mind of a lawyer, always knowing where she stands with the laws and rights of everyone involved in a transaction. When she handles my escrows, I feel confident that everything will go well as far as escrow goes; sometimes she even foresees possible problems in a transaction and makes my team and I aware of them so that we are able to find solutions in time. Throughout the years she has resolved problems that other escrow officers could not have, allowing us to close our escrows. I have received emails from Jennifer Barnes on weekend and nights, which never happens from other escrow officers. She is very committed to her work, always striving to be the best. I see Jennifer as the best escrow officer I have known."
