E-mail Encryption Information

The Escrow Firm is one of the largest full-service escrow companies in the state, with 3 offices in Southern California. As part of Best Practices, we encrypt any documents that contain sensitve information in order to protect the parties to a transaction.

WHAT NEEDS TO BE ENCRYPTED?

Any information that is considered NPPI - Non-Public Personal Information will be encrypted, ensuring that all parties to a transaction are protected. Here are some examples of information that will be encrypted:

- Statements of Information
- Payoff Demands
- Loan Documents
- Funding Conditions
- Title Documents/Pre-Recording
- Wire Instructions
